

GARMENT WASHCARE INSTRUCTIONS

Washing

For the best results ensure that the suit is washed separately & machine wash at 30°. Garments will need to be removed immediately from the machine when the cycle has ended.

Drying

Place the jacket on the hanger, gently shake and reshape by straightening seams. Fold the trousers to the front creases and hang over the bar on a garment hanger. Allow both garments to dry naturally & keep away from direct heat. Do not tumble dry.

Finishing

If required, press the garments using a cool iron over a damp cloth. Alternatively, garments from the Concept Collection can be dry cleaned.
